In approving this ordinance by a three-fourths vote, this Board of Supervisors does hereby declare that an actual emergency exists and that the immediate preservation of the peace and safety of the City and County of San Francisco necessitates that it take effect immediately upon the signature of the Mayor. AMENDING CHAPTER 3, SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 3.1, 3.2, 3.3, 3.5, 3.16 AND 3.17 AND BY REPEALING SECTIONS 3.4 AND 3.6, RELATING TO THE PREPARATION, SUBMISSION AND ADOPTION OF THE ANNUAL BUDGET AND INTERIM AND AMENDED ANNUAL APPROPRIATION AND SALARY ORDINANCES.

Be it ordained by the People of the City and County of San Francisco:

Section 1, Chapter 3, San Francisco Administrative Code is hereby amended by amending Sections 3.1, 3.2, 3.3, 3.5, 3.16 and 3.17 to read as follows:

Sec. 3.1 Introduction and Publication of Budget; Adoption of Interim Appropriation Ordinance.

The proposed budget and appropriation ordinance for all departments and offices for each ensuing fiscal year shall, upon transmission to the board of supervisors by the Mayor, by June 1 of each year, as provided in Section 6.203 of the charter, be deemed to have been regularly introduced and shall be published as required by law. Pursuant to Charter Section 6.205 the board of supervisors shall, prior to June 30th of each year, adopt the appropriation ordinance transmitted by the Mayor as an interim appropriation ordinance, provided however, that any funds for equipment, capital improvements, new positions of employment, or any other proposed expenditures may be placed in reserve until released by the board of supervisors, and provided further that said ordinance shall reflect the rates of compensation established pursuant to Charter Sections 8.401, 8.404 and 8.405.

Sec. 3.2 Preparation and Submission of Administrative Provisions of Annual Salary Ordinance and Adoption of Interim Ordinance.

The administrative provisions of the annual salary ordinance for each ensuing fiscal year shall be prepared and submitted not later than April first by the civil service commission to the board of supervisors.

Upon submission thereof to the board of supervisors they shall thereupon be automatically referred to the committee of the board of supervisors then having jurisdiction over review of the annual budget, pursuant to the rules of order of said board.

Said committee shall prepare in and report out to the board of supervisors not later than the 15th day of June an interim annual salary ordinance. The board of supervisors shall, prior to June 30th of each year, adopt an interim annual salary ordinance.

Said ordinances shall reflect the rates of compensation established pursuant to Charter Sections 8.401, 8.404 and 8.405.

Sec. 3.3 Transmission of Proposed Budget, etc., to Committee; Committee's Return and Report.

The proposed budget and appropriation ordinance, the detailed estimate of revenues, the mayor's message and any accompanying budget submissions shall upon receipt by the clerk of the board of supervisors, be transmitted by him directly to the committee of the board of supervisors currently having jurisdiction pursuant to the board's rules of order.

Said committee shall prepare in and report out to the board of supervisors not later than the 15th day of June an interim appropriation ordinance.

Said committee shall return the proposed budget, annual appropriation ordinance and annual salary ordinance to the board of supervisors with its report thereon not later than the fifteenth day of July.

Sec. 3.5 Time Limitations for Approval of Budget, Salary and Appropriation Ordinances.

The board of supervisors shall:

(a) Final passage of interim appropriation ordinance and interim annual salary ordinance. Not later than the 30th day of June finally pass the interim appropriation ordinance and interim annual salary ordinance.

(b) Public hearings. Fix the dates, not less than ~~five days after~~ ten days after receipt from the mayor ~~after publication~~, and not later than the tenth day of July, for public hearings on the proposed budget and appropriation ordinance;

(c) Consideration of the budget. Not later than the fifteenth day of July meet for its consideration of the proposed budget, annual appropriation ordinance and annual salary ordinance.

(d) Adoption of the budget. Not later than the twenty-first day of July adopt the proposed budget;

(e) Passage for second reading of the annual appropriation ordinance and annual salary ordinance. On the twenty-sixth day of July, or if such day is a holiday, then on the prior legal day, and not before, pass for second reading, the annual appropriation ordinance and the annual salary ordinance;

(f) Final passage of annual appropriation ordinance. On the first day of August, finally pass the annual appropriation ordinance; also annual salary ordinance.

Sec. 3.16 Port Commission Budget Procedure

(a) Annual budget. The budget estimate of the port commission shall annually, on or before the 1st day of March, be filed with the controller, the mayor and the board of supervisors. Said budget shall set forth the estimated receipts of the port and revenue from all sources for the ensuing fiscal year and the sums of money necessarily required for the administration of the department in the

general categories of wages and salaries, contractual services, materials, supplies, fixed charges, equipment, reconstruction, capital improvements, and bond interest and redemptions, supported by such detail as may be necessary to establish the budgetary allocations. It is intended by the enactment of this ordinance to ensure port maximum operating autonomy within existing laws.

(b) Transfer within port budget. It is recognized that port operations require a fiscal flexibility not common to governmental operations because of the competitiveness in common carriage by water and marine terminal facilities. Port commission, subject to the approval of the controller, is hereby authorized upon due notice at a regular or special meeting to transfer funds surplus in one of the categories set forth above to any of the others during the administration of the then current budget, but this shall not authorize transfer to any item that has been specifically noted as a budget deletion. The controller may approve transfer of funds without the approval of the mayor or the board of supervisors so long as said expenditures are within the total budget estimate and will not result in a deficit. At the time of request, copies of the request to the controller for such transfer shall be forwarded to the members of the committee of the board of supervisors having jurisdiction over annual budget review pursuant to said board's rules of order.

(c) Harbor revenues. Harbor revenues shall be deposited in the treasury of the city and county as set forth in section 6.406 of the charter and as budgeted the harbor improvement funds shall be under the management and disbursement of the port commission for the current fiscal year on the approval of said budget.

(d) Harbor improvement fund. The harbor improvement fund is deemed a continuing appropriation and shall be regarded as such for

all purposes of fiscal management.

Sec. 3.17 Filing of Budget Estimates

Pursuant to the provisions of Section 6.205 of the charter: (1) each elective and appointive officer, board or commission, shall, not later than the first day of March of each year, file with the controller for check as to form and completeness two copies of his or its budget estimate approved in accordance with the provisions of Section 6.200 of the Charter; (2) the controller shall, not later than the fifteenth day of April of each year, consolidate such budget estimates and transmit the same to the mayor, together with such other material as is required by Section 6.200 of the charter; and (3) the mayor shall, not later than the first day of June of each year, transmit to the board of supervisors consolidated budget estimates, proposed budget, detailed estimate of revenues, and estimates of amounts required to meet bond interest and fixed charges, together with his budget message, together with a draft of the annual appropriation ordinance.

Section 2. Chapter 3, San Francisco Administrative Code is hereby amended by repealing Sections 3.4 and 3.6.

TEMPORARILY PROHIBITING THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT AND OPERATION OF AMUSEMENTS, PLACES OF ENTERTAINMENT, DANCE HALLS, CABARETS, RESTAURANTS, FINANCIAL INSTITUTIONS, HOTELS, AND BATH HOUSES ON THOSE ELEVEN BLOCKS BOUNDED ON THE EAST BY THE WEST SIDE OF LARKIN STREET, ON THE WEST BY THE EAST SIDE OF VAN NESS AVENUE, ON THE NORTH BY BROADWAY STREET AND ON THE SOUTH BY THE NORTH SIDE OF GEARY STREET FOR SIX MONTHS: PROVIDING FOR DEFINITIONS AND A SEVERABILITY CLAUSE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Purpose and Findings. The Board of Supervisors, after consideration of many complaints from citizens residing in or about the environs of Polk Street, between Broadway Street and Geary Street, and after considering testimony for and against the imposition of controls upon the proliferation of restaurants, places of entertainment, dance halls, discotheques, bars, hotels, bath houses and financial institutions in said area, makes the following findings:

A. The City and County of San Francisco is currently engaged in the study of the question whether a special use district should be established for all places of entertainment, restaurants, (including fast-food establishments), dance halls (including discotheques), bars, hotels, bath houses and financial

institutions within that eleven-block area of Polk Street bordered on the North by Broadway Street and on the South by Geary Street, on the East by Larkin Street and on the West by Van Ness Avenue.

B. For the purposes of this ordinance, the following definitions shall apply:

(1) Bar. Any tavern, cocktail lounge or other establishment which gives, sells or offers for sale beverages to the public, guests or patrons.

(2) Bath House. Any place open to the public including private clubs or organizations except as provided in Section 2600(f) of Part I, Chapter VIII, San Francisco Municipal Code (Police Code) wherein any person, firm, association, corporation or partnership engages in, conducts or carries on, or permits to be engaged in, conducted or carried on Russian, Turkish, Finnish, Swedish, hot air, vapor, electric cabinet, steam, mineral, sweat, salt, Japanese, sauna, fomentation, alcohol or baths of any kind, provided that such term shall not include ordinary tub baths where an attendant is not required.

(3) Cabaret. Every premises to which members or patrons are admitted between the hours of 2:00 a.m. and 6:00 a.m. which serves food, beverages, or food and beverages, including but not limited to, alcoholic beverages, for consumption on the premises or wherever entertainment as defined herein is presented, furnished or occurs upon the premises.

(4) Dance. Any gathering of persons in or upon any premises, other than a private home or residence, where dancing is

engaged in or occurs upon the premises.

(5) Dance Hall. Any building or place in which a dance is held.

(6) Discotheque. A dance hall as defined herein.

(7) Entertainment. Any act, play, review, pantomime, scene, song, dance act, song and dance act, or poetry recitation, conducted or participated in by any person, whether or not for remuneration. "Entertainment" also includes a fashion or style show, except when conducted by a bona fide nonprofit club or organization as a part of the social activities of such club or organization, and when conducted solely as a fund-raising activity for charitable purposes.

(8) Hotel. A building where overnight lodging, without individual cooking facilities, is offered to the public for compensation, primarily for the accommodation of transient guests.

(9) Restaurant. Any coffee shop, cafeteria, short order cafe, luncheonette, tavern, cocktail lounge, sandwich stand, soda fountain, in-plant or employee eating establishments and any other eating establishment, organization, club, including veterans' club, boardinghouse, guesthouse, caterer, which gives, sells or offers for sale, food to the public, guests, patrons, or employees as well as kitchens or other food preparation areas in which food is prepared on the premises for serving or consumption on or off the premises, and requires no further preparation and also includes manufacture of perishable food products that prepare food on the premises for sale directly to the public. The term

"restaurant" shall not include itinerant restaurants, cooperative arrangements made by employees who purchase food or beverage for their own consumption and where no employee is assigned full time to care for or operate equipment used in such arrangement, or private homes; nor shall the term "restaurant" include churches, church societies, private clubs or other nonprofit associations of a religious, philanthropic, civic improvement, social, political, or educational nature, which purchase food, food products, or beverages or which receive donations of food, food products, or beverages for services without charge to their members, or for service or sale at a reasonable charge to their members or to the general public at occasional fund-raising events, for consumption on or off the premises at which the food, food products, or beverages are served or sold, if the service or sale of such food, food products or beverages does not constitute a primary purpose or function of the club or association, and if no employee is assigned full time to care for or operate equipment used in such arrangement.

(10) Financial Institution. Any bank, savings and loan, loan office, finance company or other person who, in the ordinary course of business makes advances against goods or documents of title or who, by arrangement with a seller or a buyer, intervenes to make or collect payments due or claimed under a contract of sale.

C. That said area of Polk Street between Broadway Street and Geary Street comprises an area of land within twenty-two (22)

city blocks.

D. That the residents and merchants residing and doing business in said twenty-two-block area bounded by Van Ness Avenue, Larkin Street, Broadway Street and Geary Street and merchant and residential associations, councils and other groups have expressed great concern and alarm over the proliferation of restaurants, discotheques, bars, financial institutions, hotels, and bath houses in the area and the resulting problems of noise, scarcity or parking for the residents of the area, street and sidewalk congestion and the general reduction of the quality of residential life.

E. That the exemption of retail establishments of five thousand (5,000) square feet or less from parking requirements imposed by the City Planning Code (Part II, Chapter II of the San Francisco Municipal Code), coupled with the change in use from residential and from retail establishments to restaurants, places of entertainment, hotels, bath houses, and financial institutions has placed a greatly increased burden in the existing, limited parking facilities in the surrounding area.

F. That this increased burden has resulted in increased violations of parking and traffic regulations set forth in the Traffic Code (Part II, Chapter XI, of the San Francicso Municipal Code).

G. That a number of the existing restaurants, dance halls or discotheques, hotels, bath houses and places of entertainment in the area open into the interior of city blocks which are

residential in use and cause noise and odors which are disturbing to the public peace in the area, particularly to the peace and sleep of those persons residing on the twenty-two city blocks comprising the said area described above.

H. That the aforementioned study may include, among other subjects, a consideration of the means, degree and extent to which the establishment of a special district in the area will lessen any adverse effects upon the surrounding residential areas or, at a minimum, will limit the increase of such adverse effects.

I. In order to provide a reasonable period of time for such study, and for implementation of the recommendation of such study, and in order to prevent the frustration of the results of such study by the approval of the location of said enterprises which may be in conflict with the regulations which may ultimately be adopted by ordinance, and for the purpose of protecting the public safety, health and welfare, the Board of Supervisors finds that the adoption of this ordinance is necessary.

Section 2. No application for a permit nor any permit for any restaurant, place of entertainment, cabaret, hotel, bath house, dance hall, discotheque or financial institution, as defined herein shall be received, considered or approved for location within that area bounded on the east by Larkin Street, on the west by Van Ness Avenue, on the north by Broadway Street and on the south by Geary Street during the effective date of this ordinance.

Section 3. The Board of Supervisors hereby finds and determines that this ordinance is necessary because to permit the

approval of the location of restaurants, places of entertainment, cabarets, dance halls, hotels, bath houses, or discotheques and financial institutions during the consideration of possible adoption of new zoning regulations applicable to permits for such uses or other regulations of the traffic congestion, parking associated with the operation of such uses would be in derogation of the benefits to be derived from the study referred to above, and from the adoption of any regulation recommended thereby.

Section 4. This ordinance shall expire by its own terms six (6) months after its effective date, unless sooner terminated or extended by action of the Board of Supervisors.

Section 5. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,

//

subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or otherwise.
